

I am Jimmy Wremble (Jimmy and Chorus of Villains and Ingenue)

I am Jimmy Wremble, always on the scene
Fighting evil villains in the night

When they all assemble for a wicked deed
I appear in the midst, show them all my secret fist of might

I am Jimmy Wremble master of disguise
Finding ways to break through their defense
In the dark they tremble for their wicked lies

They run and hide and can't get out
Some will die in the rout
They'll try to fly but suddenly I'll be

Everywhere, fighting foes in the street
They'll be scared knowing that they can't beat me

Chorus:

Jimmy Wremble oh oh oh ohoh Jimmy Wremble
oh oh oh ohoh Jimmy Wremble

I am Jimmy Wremble agent without fear
Saving all the damsels in distress

With the ladies I am gentle, suave and debonair
But wicked men will rue the day, if they walk their wicked ways near me

Chorus: Wremble, Wremble, Wremble Wremble

I am Jimmy Wremble expert in Kung fu
Trained for years by ninjas of the east

I can disassemble any evil crew
They come at me with guns and knives
And i deflect from every side
When I attack they don't know what to do...(pause--and he does a funny series of Kung fu motions)

They run away, frightened by what they see
And there are days, a look alone spells defeat

Chorus: Jimmy Wremble oh oh oh ohoh Jimmy Wremble
oh oh oh ohoh Jimmy Wremble oh oh oh ohoh
I'm Jimmy Wremble
